# Your Labour Team

Serving Hunslet and Riverside Ward

**Elizabeth NASH**

I know my experience is valued by my colleagues and the residents I have represented, and I have represented Riverside, Beeston Hill and West Hunslet since 1989, and East Hunslet since 2004. My focus is on our residents' needs and I have helped shape the improvements Labour has delivered for our city.

**Mohammed IQBAL**

I'm a family man who has represented this area for the last 19 years as a full-time Councillor. I've been involved with many projects and have supported many organisations over those years, but I know we have more to do to make this the best possible place to live. I look forward to the work ahead.

**Paul WRAY**

South Leeds is my home and I've lived and worked in our ward for 12 years. Most of that time I have worked behind the scenes to help our Councillors and Member of Parliament to support you. I'm excited by what we can achieve over the coming years - working together as a community.

# For The Many Not The Few

## Leeds Labour's city-wide manifesto for Leeds

“ These elections are the largest Leeds has had in over a decade. On Thursday May 3rd, all of us will have the chance to send an unmistakable message to this Conservative Government that enough is enough.

Enough of cuts to vital services that hurt our communities; enough of cuts to schools, hospitals and local policing; enough of library and youth centre closures; enough of leaving elderly and disabled people without essential care; and enough of failed privatisations that drain funds out of public services so a few can make a profit.

Austerity is a political choice. Here in Leeds we have seen the devastating impact of that choice – and we as the Labour-run Leeds City Council are fighting back – building a strong economy and compassionate city – despite the Conservatives' agenda.

Theresa May has had her say. Thursday May 3rd is the time to have your say. Use all 3 votes for Labour to ensure we can continue our fight for the people of Leeds. ”

**Councillor Judith Blake**  
**Labour Leader of Leeds City Council**
